Catechist Prep evenings are essential to the success of the Family Faith Program. These evenings allow the Adult Presenters to do a "dry run" of their presentation - and to receive feedback and suggestions regarding possible additions/omissions/changes. It is also the catechists' opportunity to hear the material that will be presented to the adults during the Family Faith Days - these presentations often offer ideas and information that the catechists can incorporate into their own lessons as well as important information for continuing with their own family lessons throughout the month. Finally, this is when the catechists have a chance to go through the lesson material for the month - again, offering suggestions for possible changes and clearing up any questions they may have, as well as letting Kathleen know of any issues/challenges they may be facing.
